Dear Speaker Pelosi, Majority Leader Reid, and Republican Leaders McConnell and Boehner:

We are writing in support of H.R. 4213, the American Jobs and Closing Tax Loopholes Act.

This bill includes the Alternative Minimum Tax (AMT) U.S. Jobs provision which will provide our companies with an immediate source of capital to create American jobs and make new capital investments.

The AMT U.S. Jobs provision would allow companies who do not benefit from other similarly-designed incentives - like bonus depreciation - to utilize their existing AMT credits based on new investments in U.S. plants and equipment. For 2010, this provision will generate over \$24 billion in new investment in the U.S.

We appreciate your attention to this important matter and urge swift passage of H.R. 4213.

Sincerely,
