The Honorable Nancy Pelosi
Speaker
U.S. House of Representatives
Washington, DC 20515

Dear Speaker Pelosi:

On behalf of the Virginia Organizing Project, I write to thank you and your colleagues for introducing H.R. 3962, the “Affordable Health Care for America Act of 2009”.

We strongly encourage Congress to push for health care coverage for everyone and to make sure it is quality, affordable health care. We also encourage Congress to support a public health insurance option designed to lower costs and keep insurance companies honest.

We hope that you will work with other Members of Congress to take this historic opportunity to address the nation’s health care crisis, and the “Affordable Health Care for America Act of 2009” is an important step in that regard.

Take care,

Joe Szakos
Executive Director
